

Burlington

Features:

- Victorian-style cast aluminium fireplace with integral Dimplex Optiflame® Plus electric fire.
- Can be fitted flat-to-wall with no chimney opening or aperture required.
- Features new HEATSTREAM® concealed heat output, giving radiant and convected heat.
- Supplied with real coals 1.2kW fan heater with choice of heat settings.
- Flame effect can be used independently of heat.
- Can be used with or without a hearth (not supplied).
- Must be wall-fixed using integral brackets.
- When the fan heater is switched on this product becomes warm to the touch and therefore we recommend that heat-sensitive items are not placed on the shelf.
